Transform your Dell laptop with our stylish laptop skins and decals! Perfect for models like the Latitude 3520 and Inspiron 16 7630, our vinyl decals and cute stickers add a unique touch while protecting your device's logo. Whether you're looking for a unique gift for her or a stylish upgrade for yourself, our durable laptop skins and accessories are easy to apply and remove. Make your Dell laptop stand out with our creative designs today!

What is a laptop skin? Do you wish to keep your laptop always looking brand new and with a unique personal style? Our laptop skin service is here to meet your needs.

Laptop skins not only effectively protect your laptop's exterior from scratches, wear, discoloration, or rust, but also help maintain its beauty and freshness. Whether it's accidental bumps in daily life or the natural wear from long-term use, the skin is a loyal guardian for your laptop.

In addition, skins can add a personal touch to your laptop. We offer a variety of colors, patterns, or texts for you to choose from, allowing you to customize a one-of-a-kind laptop appearance that showcases your unique personality and attitude.

We promise to use high-quality materials and professional craftsmanship to create a perfectly fitting skin for your laptop, ensuring that you enjoy personalization while obtaining the best user experience.

Thank you for your interest in our products. We look forward to adding a unique touch to your laptop.

How to Place an Order:

1. Select the Parts You Want

In the "Parts" section, choose the specific parts you need. You have three options to choose from: the top surface, keyboard surface, and bottom surface.

2. In the "Personalization" Section

Enter your laptop model number. If you require customization, please specify your requirements here.

3. We Support Most Laptop Models

Simply include the model number in the "Personalization" section.

How to Find Your Laptop Model:

To ensure we create a perfectly fitting skin for your laptop, accurately obtaining your laptop's model number is crucial. Here are two easy methods to find your model information:

Method 1: System

- Press the "Win" key and "R" key simultaneously to open the "Run" dialog box.
- Enter "msinfo32" and press "Enter" to open the System Information window.

- The value listed here is your HP laptop model number (e.g., XPS 13 9360).

Method 2: Check the Laptop's Bottom Label

- Turn over your laptop and observe the bottom.
- Here, you will find the model label (e.g., XPS 13 9360) or the quick service code (e.g., 16204146698).
- We kindly ask you to provide accurate laptop model information when placing an order. This ensures we can customize a perfectly fitting skin, which is the foundation of our quality service.
- If you encounter any difficulties in finding the model or placing an order, our customer service team is always ready to assist. We promise to do our utmost to ensure a satisfactory custom experience for you.

About Our Laptop Skins:

- **Easy to Apply**

Our skins use a bubble-free installation technology, letting you easily complete the application process without worrying about bubbles.

- **Scratch Protection**

Provides the daily scratch protection your laptop needs, resisting minor scratches and wear, keeping the screen and casing as good as new.

- **Lightweight Protection**

Unlike bulky protective cases, our skins offer protection without adding weight or volume to your laptop.

- **Precise Fit**

Each skin is carefully crafted using our state-of-the-art cutting machines, ensuring a perfect fit for every corner of your laptop.

- **High-Quality Material**

Made from premium 3M film, ensuring the durability and transparency of the skin for a long-lasting user experience.

- **Clean Removal**

When you need to remove the skin, it can be done without any damage to your laptop, leaving no sticky residue.
